

Welcome to the Bright Side!

We hope everyone enjoyed their much deserved break with their families over the holidays. We are happy to be back at it and in the groove of things. We have had many children move up to the next age groups, teachers who have switched classrooms, and we have made some much needed upgrades on the administration side of things.

Tuition Payments

All tuition invoices are now automated! On the 20th of each month you will receive an email invoice for the following months tuition. You can pay this through the email with a credit card, or e-transfer the amount to us directly. We hope these changes will make the process much easier for everyone.

Bright Child Gear

We now have Bright Child gear available for purchase which is set up in the front entrance. Currently the kids gear only comes in Youth XS (4-6) and Youth S (6-8). We'll be adding more clothing for all ages throughout the year. Just let a teacher know what you are grabbing, and we can add the amount to your next invoice.
