

"Education is a natural process carried out by the child and is not acquired by listening to words but by experience in the environment." - Maria Montessori

May Newsletter

This Month's Theme

The warm weather is finally here! We are very excited to spend more time outside soaking up the sunshine.

Our Casa 2 class will be learning about bugs and butterflies. What child doesn't love exploring bugs and butterflies outdoors? With so many different species the possibilities are endless!

Our Casa 1 class will be learning about sea creatures, botany, and discovering a nature table!

Toddlers will spend the month learning about different emotions, and talking about friendships! They are really beginning to have a great social understanding of one another!

Infants will spend the month of May also exploring different types of bugs! They will also learn about the weather!

Mother's Day Muffins with Mom

A very thoughtful and loving Happy Mother's Day to all you fantastic mothers! To show our appreciation, we invite all moms to join us between the hours of 9:00am

– 11:00am on Friday, May 11th, 2018. Come and spend an hour or so with your child and see what their morning work period is like. I know each student will be very proud to show you how hard they work each day. After our morning work period, we will enjoy a nice muffin and tea together to celebrate you! Happy Mother's Day!

New Infant Room Teacher

Ms. Teno has joined our infant room! As we said good bye to Ms. Lesperance, and Ms. DiGiovanni, we welcomed Ms. Teno. Ms. Teno is married, and has an 18 month old daughter. She is very passionate about early childhood education and we are very excited to have her join us!

Victoria Day

This is a friendly reminder that Bright Child Montessori will be closed for Victoria Day on Monday, May 21st. Enjoy your long weekend!

Capacity and Wait Lists

At this time, each classroom is at maximum capacity. We unfortunately are unable to make any schedule changes or add any days to your child's schedule until July. If you know anyone who is currently pregnant or seeking care, please let them know it is very important to book a tour as soon as possible, as we are booking well into 2019 now.

Spring Family Musical Picnic and Graduation

Looking ahead to June, we are already planning our Annual Spring Family Musical Picnic and Graduation Ceremony. This event will take place on Saturday June 2nd, in the morning. More details will be sent out within the next few weeks!

Spring Jackets, Splash Pants and Rain Boots

When rain and warmer weather begin to mix together in the month of April we unfortunately get a lot of unwanted mud. Spring jackets, splash pants and rain boots are perfect for this time of year. Please dress your child appropriately so they can splash, explore and have fun!

Spring Has Sprung; Extra Clothes

You can now begin to bring in sun hats and replenish your child's Ziploc bag of extra clothes with spring attire. Please remember to label all items as well. Please take home all winter items.
